## PROJECTS

**STUDENT MANAGEMENT SYSTEM**

- Developed backend APIs using Django and Django REST Framework for managing students, courses, and attendance.
- Implemented CRUD operations, authentication, and tested RESTful APIs using Postman for reliability and performance.

**ATTENDANCE MANAGEMENT SYSTEM – NIM Technologies**

- Developed a full-stack Attendance Management System using React.js (frontend) and Django (backend).
- Implemented login, daily attendance tracking, admin dashboard, and API integration using MySQL, Axios, and Postman.

**NIM Technologies Website**

- Built the main company website for NIM Technologies using React.js.
- Implemented modern UI design, reusable components, and responsive layouts for a professional web presence.
